## General Terms & Conditions

- License terms: The above system including customisation will be on a licence to use only and not ownership of any kind and cannot be sold or transferred or rented in any form. The client will not copy, reproduce, reengineer or decompile the system or customise under any circumstances. Under no circumstances will eDominer be liable to the client for any loss due to use, revenue or profit or damage data or other commercial or economic loss direct or indirect related to use of Edominer software products and services even if such damages are foreseeable. This limitation shall apply even in the event of breach of any agreement / understanding between parties.
- Under no circumstances will Edominer be liable to the client for any loss due to use, revenue or profit or damage data or other commercial or economic loss direct or indirect related to disruption of service due to non-payment of subscription or any outstanding invoice or internet or network issues or statutory non-compliances.
- The individual user must accept the online agreement at the time of first use to continue using the software and must abide by the agreement. This agreement (terms of use) will be updated from time to time and notified through popup and online acceptance during login.
- Edominer does not guarantee to develop any government or bank pre-printed formats for output from ERP. Any report in the system must not be assumed / comparable to some market offerings/standard and is completely developed on a need basis and is unique to Edominer design concept.
- No data entry will be done by Edominer resources. Clients will provide adequate resources to record data in the system. Edominer can only assist through ticket support and online documentation.
- All reports, printouts and screens have and can have in future product / customisations company logo trademark and copyright information as standard practice and cannot be removed. Edominer reserves all rights.
- Edominer EXPAND Lite is always evolving and bringing new functionality into the system in the holistic interest of Edominer and its customers and prospects. It keeps adding new functionality to stay competitive and based on feedback and roadmap planned. Such features are added without notice.
- Based on the license and security definition of the user they may get access to new features automatically.
- Only one database per Contract / Customer is created.
- Time and material, support, packages, subscription rates can change without notice.
- Edominer does not provide a separate test/ sandbox environment. All sample transactions have to be done on the live system and then deleted by the user, if necessary.
- The system provides options to schedule support session, which needs to be scheduled 1 day in advance. Edominer team does not entertain ad-hoc calls or meetings.
- In case of exit or termination Edominer will provide MS SQL Database backup as generated by MS SQL Server software.
- Edominer reserves the right to withdraw Expand Lite software services with a 3 month notice.
- Email acceptance of this document or payment against this proposal is considered as a deemed acceptance of the proposal terms and conditions for our services, no further agreement is necessary/signed.
- Our service is governed by terms of service and privacy policy. These can be accessed on our website [www.expanderp.com](http://www.expanderp.com) . These terms can be updated from time to time and will be notified upon login into Expand Lite software on cloud.
